

The ISO/IEC 17025 accreditation certificate of Mitutoyo group

QA-E030097 Rev.13.0
2010-03-10
Mitutoyo Corporation
Quality Assurance Department

Miyazaki Plant

Certificate of Accreditation

To: Mitutoyo Corporation

IAJapan hereby accredits the following laboratory based on the Measurement Law as it meets the requirements of relevant international standards. This laboratory also meets the requirements for Mutual Recognition Arrangements (MRA) of ILAC and APLAC.

Accreditation No. J C S S 0 0 3 0

Name of Laboratory
Miyazaki Plant, Mitutoyo Corporation

Address of Laboratory
1052-1, Kari, Tano-cho, Miyazaki-shi, Miyazaki
889-1301, Japan

Accreditation Scope Length (as attached)

Accreditation Criterion ISO/IEC 17025:2005

Date of Issue: 2009-12-04
Kato Setsu, Ph. D.
Chief Executive, IAJapan
National Institute of Technology and Evaluation

Metrology CC

Certificate of Accreditation

To: Mitutoyo Corporation

IAJapan hereby accredits the following laboratory based on the Measurement Law as it meets the requirements of relevant international standards. This laboratory also meets the requirements for Mutual Recognition Arrangements (MRA) of ILAC and APLAC.

Accreditation No. J C S S 0 0 3 1

Name of Laboratory
Metrology Calibration Center, Techno Service Business Division, Mitutoyo Corporation

Address of Laboratory
26, Kiyokata-hayashi-cho, Utsunomiya-shi, Tochigi ken
321-32M, Japan

Accreditation Scope Length, Temperature (as attached)

Accreditation Criterion ISO/IEC 17025:2005

Date of Issue: 2009-11-01
Kato Setsu, Ph. D.
Chief Executive, IAJapan
National Institute of Technology and Evaluation

Utsunomiya CC

Certificate of Accreditation

To: Mitutoyo Corporation

IAJapan hereby accredits the following laboratory based on the Measurement Law as it meets the requirements of relevant international standards. This laboratory also meets the requirements for Mutual Recognition Arrangements (MRA) of ILAC and APLAC.

Accreditation No. J C S S 0 0 3 8

Name of Laboratory
Utsunomiya Calibration Center, Techno Service Business Division, Mitutoyo Corporation

Address of Laboratory
220-1 Shimogai-cho, Utsunomiya-shi, Tochigi
321-0823, Japan

Accreditation Scope Length (as attached)

Accreditation Criterion ISO/IEC 17025:2005

Date of Issue: 2008-11-20
Kato Setsu, Ph. D.
Chief Executive, IAJapan
National Institute of Technology and Evaluation

Kawasaki CC

Certificate of Accreditation

To: Mitutoyo Corporation

IAJapan hereby accredits the following laboratory based on the Measurement Law as it meets the requirements of relevant international standards. This laboratory also meets the requirements for Mutual Recognition Arrangements (MRA) of ILAC and APLAC.

Accreditation No. J C S S 0 0 3 9

Name of Laboratory
Kawasaki Calibration Center, Techno Service Business Division, Mitutoyo Corporation

Address of Laboratory
1-28-1 Sakado, Yokohama-ku Kawasaki-shi, Kanagawa
213-8550, Japan

Accreditation Scope Force (as attached)

Accreditation Criterion ISO/IEC 17025:2005

Date of Issue: 2009-09-01
Kato Setsu, Ph. D.
Chief Executive, IAJapan
National Institute of Technology and Evaluation

Hiroshima CC

Certificate of Accreditation

To: Mitutoyo Corporation

IAJapan hereby accredits the following laboratory based on the Measurement Law as it meets the requirements of relevant international standards. This laboratory also meets the requirements for Mutual Recognition Arrangements (MRA) of ILAC and APLAC.

Accreditation No. J C S S 0 0 1 0

Name of Laboratory
Hiroshima Calibration Center, Techno Service Business Division, Mitutoyo Corporation

Address of Laboratory
6-22, Hinohobanaga, Kure-shi, Hiroshima 731-0112, Japan

Accreditation Scope Length, Hardness (as attached)

Accreditation Criterion ISO/IEC 17025:2005

Date of Issue: 2009-07-01
Kato Setsu, Ph. D.
Chief Executive, IAJapan
National Institute of Technology and Evaluation

Techno Service Business Division

Certificate of Accreditation

To: Mitutoyo Corporation

IAJapan hereby accredits the following laboratory as a calibration laboratory based on the Measurement Law as it meets the requirements of relevant international standards. This laboratory also meets the requirements for Mutual Recognition Arrangements (MRA) of ILAC and APLAC.

Accreditation No. J C S S 0 0 3 6

Name of Laboratory
Techno Service Business Division, Mitutoyo Corporation

Address of Laboratory
786-1, Watanabehoncho, Utsunomiya-shi, Tochigi
321-0823, Japan

Accreditation Scope Length (as attached)

Accreditation Criterion ISO/IEC 17025:2005
