[Policy on handling of personal information]

- Personal information received from our clients will only be used for the purposes stated on our website (<http://www.mitutoyo.co.jp>)
- The information will only be used within Mitutoyo or our commissioned contractors and will never be released to a third party.
- If it becomes necessary to modify or delete information, we will respond only on receipt of a direct request from the client concerned.
- You can refer to our privacy policy at "Personal Information Protection Policy" on our website.
